## Carshalton Park Gates Completed

## Westcroft Centre & New Carshalton Library Redevelopment

Local Lib Dem Councillor Hamish, Carolyn Parker as chair of Friends of Carshalton Park and Focus Team member Andre Costello

Cllr. Jill Whitehead says, "The major building works continue to provide a state-of-the-art Leisure Centre right in the heart of the borough and a brand new Library for Carshalton, as previously reported in FOCUS. The opening will take place in January 2013".

The new gates at the Ruskin Road entrance were recently completed following consultation with Friends of Carshalton Park. Funding was partly from the Council's Public Realm fund and partly by the local Rotary Club. These fine gates will allow easier access for vehicles using the park for the really major local events such as Carshalton Carnival in June, the Environmental Fair in August, and Guy Fawkes' Fireworks display which the Rotary Club operate.

## Honeywood Heritage Centre Re-opens

Sutton's fine borough museum by Carshalton Ponds had undergone a major refurbishment and it was officially re-opened at the end of May 2012. Cllr. Alan Salter says: "The landmark building has been really beautifully restored, and there are brand new exhibitions which tell the story of the house, the local people and the history of the borough of Sutton, which of course includes Carshalton".

## New Equipment in Grove Park

The Grove Park has won the prestigious Green Flag Award for several years in a row and we're pleased to report that new dog waste bins have been installed in The Grove Park amongst other local parks. Cllr Hamish Pollock was recently elected as Chair of The Friends of The Grove Park in April this year. Hamish says, "One of the first things we as councillors have been planning with the Friends' Group, is the installation of a new outdoor gym, possibly located near the football cage".
