Carshalton Ponds

We know residents are as concerned as we are about the condition of Carshalton Ponds.

We've asked the Environment Agency and SES Water to let us know about the changing water flows in the Ponds.

There were a number of issues in 2017, but flows recovered quite quickly following interventions by the water company.

We've been told that in December a burst pipe at the Goat Bridge Pumping Station downstream caused reduced water in the Ponds. This was not helped by dry weather conditions at the time.

SES is looking at its systems for increasing the water levels to prevent further low flow events.

Pink's Gym planning application

Residents are keen to know what is happening with the old Pinks Gym site at 9-11A Carshalton High Street, since the last planning application in late 2017 was turned down by the council.

In December 2015 planning permission was granted for conversion of the 1st, 2nd and 3rd floors to contain four one bed flats, one two bed flat, and one three bed flat (see Planning Application No:2015/72992). In January 2017,
